# UTA Edenred adds all Repsol fuel stations in Spain to its acceptance network

- **UTA Edenred customers can now refuel at over 3,300 Repsol stations in Spain and access a total of 5,000 fuel stations across the country**
- **The addition of Repsol brings the total number of fuel stations in UTA's European acceptance network to more than 62,000**

**Kleinostheim, Germany** – [UTA Edenred](#), a leading mobility service provider in Europe and an Edenred company, has extended its partnership with Repsol, the leading Spanish multi-energy company, to add all Repsol service stations in Spain to its acceptance network. The alliance allows UTA Edenred customers to access Repsol products and services at over 3,300 stations across the country.

UTA Edenred's collaboration with Repsol began in 2020 with the incorporation of 90 acceptance points. Through the latest agreement, UTA Edenred now offers its customers access to more than 5,000 multi-brand and multi-product fuel stations in Spain, and more than 62,000 fuel stations overall across Europe.

Using their UTA Card, UTA Edenred customers can obtain traditional fuels, alternative fuels such as CNG and LNG, and AdBlue at Repsol stations. They can also access complementary services such as secure parking and vehicle washing.

**Lukas Schneider, Commercial Director EMEA at UTA Edenred, says:** "Our continuously expanding partner network sits at the heart of our service offering. Extending UTA Card acceptance to the entire Repsol network in Spain is a key milestone for UTA Edenred and delivers even more value to our Spanish and international customers."

**Alfonso Díaz, General Manager of UTA Edenred in Spain and Portugal, adds:** "Through the agreement with Repsol, we're significantly expanding our mobility offering in Spain. Our customers will be able to use any Repsol service station in the country, while Repsol becomes one of our largest suppliers in Europe."

**Carlos Suárez, B2B Director of Mobility at Repsol, says:** "Our agreement with UTA Edenred, one of the most important mobility service providers in Europe, reinforces our commitment to national and international companies operating in Spain's road transport sector. These customers can access unique multi-energy offerings and top-quality, branded products at more than 3,300 Repsol stations."

**UNION TANK Eckstein GmbH & Co. KG (UTA Edenred)** is a leading European mobility service provider. With UTA Edenred acceptance media, commercial fleet operators of all sizes can access more than 81,000 acceptance points in 40 countries. They can enjoy benefits such as cash-free access to conventional and alternative fuels independent of brand; a rapidly growing charging network for electric and hybrid vehicles; electronic toll settlement in 27 European countries; vehicle services such as breakdown, towing, repair, and cleaning; and VAT and fuel tax refunds through UTA Edenred's service provider partner. In addition, through UTA Edenred's digital platform, customers can access state-of-the-art software for fuel planning, fleet management and telematics as well as a digital fuel card for fast, convenient handling of refuelling via smartphone.

In 2023 - for the third year running - UTA Edenred was voted "Best fuel card service provider for SMEs" (ranking by WirtschaftsWoche magazine/ServiceValue) and received the German B2B Award from the German Society for Consumer Studies. Founded in 1963 by Heinrich Eckstein, UTA Edenred is today part of Edenred SE.

**Edenred** is a leading digital platform for services and payments and the everyday companion for people at work, connecting 60 million users and 2 million partner merchants in 45 countries via close to 1 million corporate clients.

Edenred offers specific-purpose payment solutions for food (such as meal benefits), incentives (such as gift cards, employee engagement platforms), mobility (such as multi-energy, maintenance, toll, parking and commuter solutions) and corporate payments (such as virtual cards).

True to the Group's purpose, "Enrich connections. For good.", these solutions enhance users' well-being and purchasing power. They improve companies' attractiveness and efficiency, and vitalize the employment market and the local economy. They also foster access to healthier food, more environmentally friendly products and softer mobility.

Edenred's 12,000 employees are committed to making the world of work a connected ecosystem that is safer, more efficient and more responsible every day.

In 2022, thanks to its global technology assets, the Group managed some €38 billion in business volume, primarily carried out via mobile applications, online platforms and cards.

Edenred is listed on the Euronext Paris stock exchange and included in the following indices: CAC 40, CAC 40 ESG, CAC Large 60, Euronext 100, Euronext Tech Leaders, FTSE4Good and MSCI Europe.
